Mallesh Salla

Analyst/Software Engineer

Base Location: • Hyderabad
Email ID: • salla.mallesh@capgemini .com

Mobile No: • 9502278234

Grade: A4

Strengths

- Software Engineer who is Strong in design and integration with intuitive problem-solving skills. Passionate about implementing and launching new projects.

- Ready to learn new technologies and implement them to further improve my knowledge.

- Eager to work in a team of dedicated people and serve a key role in the enhancement and development of the project.

- Has working knowledge on Angular and Java Microservice Development using Spring framework on an intermediate level.

-

Achivement

- **Human Resource Management System**

- Completed end to end case study of Human resource Management System Application using Spring boot and Angular used for user interface. It is a double-role application project i.e., Admin and User, where Admin will have the main control over the system.

- Admin will be responsible for maintaining the system and also, keeping add the employees and assets for the employees, and updating all details related to the employees and assets. On the other hand, Users can register themselves and can edit the employee details and assets of the employees.
